

What better way to social distance?!?!

April 20th

THE GREENS ARE READY!!

We know this season will be one to remember! In lieu of the social distancing mandates we have a few additional rules we ask you to respect for the safety of you and others:

- No high fives and 18th hole handshakes....try an elbow, foot bump, or club tap
- DO NOT REMOVE THE FLAG STICK (“gimmies” inside your specified distance are acceptable)
- Don’t rake bunkers out
- Find extra space in golf bag for hand sanitizer.
- Keep your distance from groups outside your own.
- Get in and get out. Keep your visit in the club house to the least amount of time possible.
- Do not wet your golf towels in the restroom.

•Check In

Pro Shop will expedite your check in as much as possible. To minimize face time at the check in please (1) person in to pay for the group and collect cart keys.

•Driving Range

Range balls will be dispensed in the golf shop and the ball dispenser and tokens will not be in use. If you have tokens, bring them in and we will provide balls for your use.
